

Inspired by **Skipper's**
"All Spruced Up"

pattern © xoxoBlythe.com/PuchiCollective.com

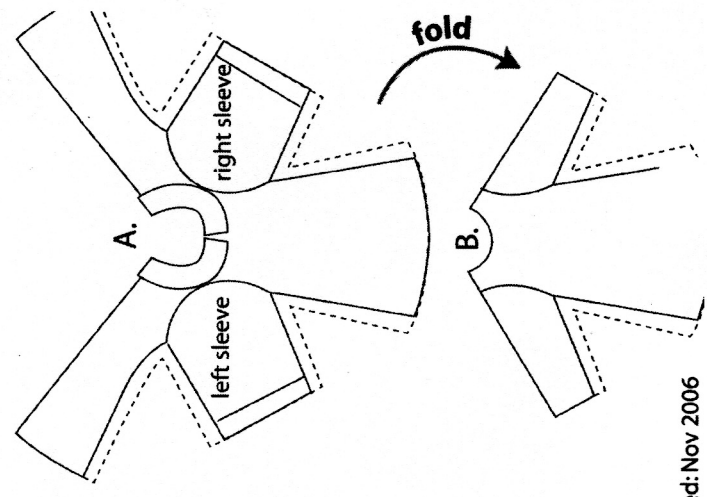

Instructions: Cut out all the pieces and hem/seam the orange edges. For the collar, you will need to attach each of the two pieces along the orange lines, snip, flip it right side out, and press.

Attach collar to dress. Attach cuffs to sleeves, then sleeves to armholes of the dress (see illustration A).

Fold in half with the **inside out**, then seam along the edges (see illustration B).

Flip right side out and press, then embellish with ribbon/buttons and finish with snaps or velcro. There you have it, Skipper's "All Spruced Up."

Note: This pattern is not lined. Please serge or treat appropriate edges with Fray Check before you snip/sew.

I don't mind if this pattern is used to make clothes for sale, but please credit
